MATAGORDA COUNTY FAIR & LIVESTOCK EXPOSITION ASSOCIATION GENERAL RULES AND REGULATIONS

- I. The Matagorda County Fair & Livestock Exposition Association reserves the final absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to the show, and the right to amend or add to these rules as its judgment may determine. An exhibitor who violates any of the rules of this show will forfeit all privileges and premiums as the Association Committee may order.
- II. **Liability:** Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him and for its description as given in the entry blanks and shall indemnify the Matagorda County Fair and Livestock Exposition Association against all legal or other proceedings in regard thereto, as well as damage or injury to other persons or property, caused by the exhibitor, or any of the exhibits exhibited by him, or arising out of, or in any way connected with such exhibition or any of the exhibits so exhibited.
- III. **No-Pass, No-Play:** The Matagorda County Fair & Livestock Exposition Association has adopted a policy to reflect the no-pass, no-play rules of the University Interscholastic League. This rule will be enforced by the Matagorda County Fair & Livestock Exposition Association for Kindergarten through 12th grade exhibitors.

UIL Rule: Extracurricular Activities provides that a student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by the school district or the University Interscholastic League during the first three weeks of the grade reporting periods after grade reporting periods in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than identified honors or advance class. After a Six-week grade reporting period or after the first six weeks of a semester or grade reporting period, in the case of a district with a reporting period longer than six weeks, a child who receives a grade below 70 is suspended from participation in extracurricular activities for three weeks, and for three-week intervals thereafter if all grades are not above 70.

- A suspended student may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other public performance.
- Provides that a student enrolled in a school district who participates in an extracurricular activity or UIL competition is subject to school district policy and UIL rules regarding participation only when the student is under the direct supervision of an employee of the school or district in which the student is enrolled or at any other time specified by resolution of the board of trustees of the district.
- Requires all UIL rules approved for the current year.

This rule is an effort to stress the importance of education. The Matagorda County Fair & Livestock Exposition Association's goal is "*Serving Today's Youth....Tomorrow's Future.*" Every youth exhibitor wanting to enter the Fair will be responsible for their grades. The MCFLA will contact all schools regarding eligibility on all contestants/exhibitors. This rule will be enforced by the MCFLA for Kindergarten through 12th grade exhibitors. If they are not passing, they will not be allowed to enter their exhibits in the Fair. This rule will include all 4-H, FFA, and FCCLA projects.

Students who were eligible shall not lose eligibility until seven calendar days after the end of the grading period.

EXAMPLE: Grading period ends on Friday at 3:30 p.m. Students shall not regain or lose their eligibility until the following Friday at 3:30 p.m.

The Matagorda County Fair Board will support the decision of the schools in cases of ineligibility for academic or other disciplinary reason.

- IV. **Excused Absences for February and March Show and Auction:** Exhibitors must submit a written note from the sponsor of the event at the Fair Office (Fairgrounds) two weeks prior to the event. The event must be a UIL, 4-H, or FFA related event that the exhibitor is participating in. Other circumstances will be considered by the Fair Board on an individual basis.
- V. **Stalls, Pens & Alleys:** Stalls pens, alleys, and exhibit spaces must be kept clean. Refuse matter must be disposed of as follows: Manure, hay, feed, and bedding into designated dumpster, trash in to trash barrels. No dumping water in the stall area, pen or under the SEF Cover. Feed, chairs, show equipment boxes, etc. are not permitted to be placed in areas blocking the main alleys or barn aisles. Caution shall be used when placing overhead show equipment boxes or racks in aisle areas so that they do not pose a safety risk.

All exhibitors and parents are to be out of the Special Events Facility (SEF) at this time. **Failure to comply with curfew rules will result in a \$25.00 penalty fine, deductible from the sales or premium check, or exhibitor will not be eligible to sell at auction.**
- VII. **Protests:** All protests concerning Matagorda County Commercial Heifer Show entries must be submitted prior to interviews and be accompanied by a \$200.00 cash deposit. The deposit will be returned ONLY if the protest is upheld. Once judging has commenced, NO protests will be accepted. The Judges' decision is final and not subject for protest. Judging procedures will not be interrupted for protest investigation. The protest will be reviewed by at least five (5) members of the Matagorda County Cattleman's Association. The ruling of the Matagorda County Cattleman's Association will be final. Both sides of the protest must be present at the time of the protest. There will be no anonymous protests accepted.
