

TEXAS A&M
AGRI LIFE
EXTENSION

March 12, 2024

The Texas A & M AgriLife Extension Service has a rich history of providing educational programs that address the most critical issues in Matagorda County. In order to make sure that the programs being planned for the future are on target, we invite your participation in the Texas Community Futures Forum to be held on Tuesday, April 2, 2024 at 5:30 PM at Wharton County Junior College, 4000 Avenue F in Bay City, Texas. Your opinion is highly valued in our community, as we truly hope you can join us. Our expectation is that the forum will last less than two hours, as we understand the value of your time.

If you have any questions, please feel free to contact the Extension office at 979.245.4100. Please RSVP to the same telephone number with your ability to join us. Thank you very much for your involvement in this forum, and we look forward to seeing you on April 2nd!
